Case #3:04 CV251-LN

Whitney M. Johnson  
Reginald D. Johnson

I am writing in behalf of myself and my brother Reginald D. Johnson.

This is why I feel violated:

1) Why did we have to be in DHS or foster care when my mother was ~~partially~~ 2???

2) My mother's parental rights was taken while incarcerated but she still provide through her VA payments.

3) My brother & I was separated and I didn't know where he was, to find out that he was in Mill Creek & The crossings being heavily medicated.

4) I was refused any school voucher after I was placed in a foster home before my sister & mother got me. DHS ~~mother contacted~~ ~~and~~ because foster parent did not turn in request for what I was to have received I got out. No voucher.

5) We were just put in places and not check on. My brother has been ~~out~~ of DHS since 04

however the State of Ga where that  
~~sent~~ him back to when my mom  
 bought him from Ga to MS.

So there was no updates on the files.

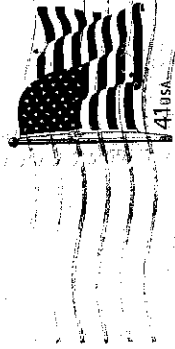

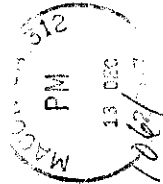

6) I attended the independent living  
 but have not received in  
 monetary help.

7) My brother lived in Tenn  
 in the Navy and DHS didn't do  
 the paperwork for the military so  
 we was back & forth. We lived  
 on base I guess after that paperwork  
 was not done. So when you get  
 placed that is the end

8) my brother has not completed  
 one yr of school for being moved and  
 I ended up with B.E.D.

Thank you
